

Information

concerning the revised regulation of the participation of arrangers of protected works under the right of reproduction (BZVR)

Supplement for arrangers of protected works

- **Procedure for supplements:**

Arrangers of protected works will receive a supplement of **50%** on top of the revenue that they make in the following categories as arrangers of protected works:

- **rights of public performance in the “broadcasting” usage category (R, FS and T FS)**
- **rights of public performance in the DK and TD categories**
- **rights of public performance in the “online” usage category** (only on application)

Application for the “online” usage category:

(Please use our [form](#) for your application)

- **Application period:**

- The application for a supplement in the “online” usage category can only be considered if it is filed within a six-month period following the respective distribution date.

- **Preconditions:**

- The application must include verifiable details of the **work number, work title** and **number of usages**.
- For the supplement to apply, a minimum of **€5.00** must be expected per work.

- **Submission:**

- Please fill in and sign the application and send it to us at the following email address: [Bearbeiterzuschlag@gema.de](mailto: Bearbeiterzuschlag@gema.de).

In accordance with § 30 para. 3, the funds required for the supplement will be made available in advance out of the non-distributable amounts.
