Dear Member,

We cordially invite you to the General Assembly 2025. Just like last year, you have the opportunity to either participate in the assembly either on site or from the comfort of your home, digitally via live stream and online voting.

Why should you be a part of this?

As a member, you can actively contribute at the General Assembly, you can enjoy a comprehensive & informative supporting programme, and you have an opportunity for personal exchange with your music business colleagues. Our GEMA staff are also looking forward to meeting and greeting you.

Further information on how you can contribute throughout the event, a detailed schedule including the agenda, the additional programme and FAQs can be accessed at **gema.de/mitgliederversammlung** or via the QR code.

Warmest regards

Dr. Ralf Weigand
Chairman of the
Supervisory Board

Dr. Tobias Holzmüller
GEMA CEO and
Chairman
