Password for representation:

Please provide this password, your membership number and the registration link to your proxy. Your proxy must first register his or her attendance and, as a next step, as your proxy.

Please note!

Dear member

We cordially invite you to attend the 2024 General Assembly. Like last year, you can either attend the meeting in person or via live stream and online live voting from your home.

Why should you attend?

The General Assembly gives GEMA members an opportunity to take part in shaping and directing GEMA, vote in the committee elections and connect with colleagues from the music industry. Members of the GEMA staff will also be happy to meet and chat with you in person.

For further information about how you can participate, details of the programme including the agenda items and some FAQs, please visit gema.de/mitgliederversammlung.

Kind regards,

Dr. Ralf Weigand
Chairman of
GEMA's Supervisory Board

Dr. Tobias Holzmüller
Chairman of
GEMA's Executive Board
