2023 GENERAL ASSEMBLY

BY-ELECTION OF THE DELEGATES IN THE HYBRID ASSEMBLY OF THE ASSOCIATE MEMBERS

The by-election of Delegates is held separately for each professional category in an on-site voting process and by online live voting in the hybrid assembly of the associate members on 9 May 2023. If you wish to stand as a candidate for the by-election, please note the following:

- Please gather information in the run-up to the General Assembly at www.gema.de/mitgliederversammlung for which professional categories there are Delegates to be re-elected.
- Persons that have been associate members of GEMA for at least two years and have generated revenues amounting to a minimum of EUR 50.00 in total in the two calendar years preceding the election can be elected as Delegates. Furthermore, those who wish to stand for election must participate in the assembly of the associate members (on site or digitally). In addition, persons cannot be elected as Delegates if they are an authorised representative for a full publisher member.
- Please use this form to send us your candidacy, if possible, by 5 May 2023 as a scan to wahlen.mitgliederversammlung@gema.de. Any candidacies submitted in the course of the Assembly are possible once more this year. You can use this form beforehand and submit it in the meeting or use the printed hardcopies available on site.
- The office term of the re-elected Delegate/s shall run from the point of their election/s until the end of the 2024 General Assembly. The Delegates thus determined in the by-election can therefore directly participate in the assemblies of the full members on 10 and 11 May 2023 and hold office as Delegates on site or digitally. In case you are standing as a candidate for the by-election, we kindly ask you to schedule your participation on 9 May as well as on 10 and 11 May. Regarding the exact order of the day, we are going to get in touch with you once you have submitted your candidacy.
