

Prospective tips for a fast, efficient work registration – especially for MOD, KMOD and VOD usages

Why?	<ul style="list-style-type: none"> ▪ Royalties can only be distributed for works that have been registered correctly ▪ Especially regarding online: licences can not be invoiced without a correct registration
When?	<ul style="list-style-type: none"> ▪ Generally: registration <u>before</u> work usage ▪ Currently discussed registration deadline for MOD/KMOD/VOD: quarter of usage + 1 month ▪ Eventually concurrent with notification of labelcopy
Where?	<ul style="list-style-type: none"> ▪ Preferably: via online service Registration of works ▪ Alternatively: CWR* for publishers (min. 100 works)
How?	<ul style="list-style-type: none"> ▪ Complete and correct declaration of required work details (esp. mandatory fields) ▪ Possible: declaration of artist of first publication and/or ISR-Code*
