

HOW DO I SET UP MY ACCOUNT ON THE INTERNET OF GEMA?

www.gema.de

Each member, each customer and each authorised persons (also authorised persons from our partner societies) needs only one user ID and password to access all of GEMA's online services. The account enables you to access to our free online services.

HOW DO I REGISTER?

Use the link <https://www.gema.de/en/login/>

Use "Register" in the menu bar to get to the registration area: ¹

A screenshot of the GEMA login and registration page. The page has a light gray background. At the top, it says "Login once. Use all GEMA services". Below this are two input fields: "Username or E-Mail" and "Password". To the right of the "Password" field is a red "Login" button. Below the input fields is a link "Forgot password". Below that is a horizontal line with "or" in the center. At the bottom left, there is a red box containing the text "You're not registered? Register". A red arrow points to this box. To the right of the form is an image of a tablet displaying the GEMA logo and the text "GEMA-MUSIC" and "2017".

This is where you start the registration. Or use the link <https://www.gema.de/en/online-services/registrierung/>

The following window opens. Please complete all fields. Please note that for data protection reasons, only personal e-mail addresses are allowed. Any e-mail addresses such as "info@" may not be used for data protection reasons.

You determine the security question and security answer yourself. The security question helps with the authentication process. Please enter a question that only you can answer.

¹ Later, once you are registered, please log in here. You can request a new password for your account via [Forgot password](#). If you wish to change your old password, please use the same function.
